- 🎃 License plate #s for all participating trunks

Advanced registration is appreciated for planning purposes

October 29, 4-7pm

Newton Safety Complex, 8 Merrimac Rd, Newton, NH

Trunks Wanted!

Participation is free! We are asking local families, businesses, groups and organizations to provide a vehicle trunk/tailgate/truck bed decorated in a family friendly Halloween theme and someone to pass out candy at your trunk. Individually wrapped candy, prizes, trinkets and business goodies are all acceptable items. Costumes are encouraged. Dress up in coordination with your trunk's theme! A contest will be held for **Best Overall, Scariest, Funniest, Most Original!**

Registered vehicles may arrive at the Safety Complex lot for check-in beginning at 3 p.m. All trunks should be ready to go by 3:45 p.m. For safety purposes, participating vehicles will not be allowed to leave the parking lot until the event is over.

Sponsored by the Newton Recreation Commission
